BODY MEASUREMENTS
(CM/INCH)

This chart shows the measurements of your child. Measure their height, waist, chest and hips. If your child’s measurements fall between sizes go for the larger one. Don't forget how quickly they grow and it is easier to take in than let out a garment. The height measurement is taken from the top of the head to the ground.

GARMENT MEASUREMENTS
(CM/INCH)

This chart shows the measurements of the garment once you have sewn it together.
